

DIA DE LOS MUERTOS OFRENDA

Join us as we build and decorate our yearly community Ofrenda in the Emerson Library on **October 23, 2022** at 9:00am. Bring your student to work on crafts in the back garden that can be added to the Ofrenda as well as worksheets and discussion about the meaning and significance of this important holiday in Mexican culture.

This event is open to our entire community

How to volunteer:

- emailing the equity team at equity@emerson elementary.org to sign up to help with set up (we need about 3-4 volunteers!) and break down (date TBD!)
- send a framed image of a loved one or something they love to include on the Ofrenda with your student on Monday, October 24th!
